

## The Miri® Benchtop Incubator has an extensive list of inserts

### You can never go wrong with the Miri® Benchtop Incubator!

When ordering a Miri®, you just have to pick the right insert/s fitting the dishes being used in your laboratory. You have the freedom and flexibility to choose -- no limitations. The Miri® can easily fit-in to your existing work routine.

All inserts are optimized for the direct transfer of heat to the dishes and are totally removable for easy cleaning. This is to ensure optimal conditions for your embryos.
